KALOS ILTHATE

Welcome

Dear [Client],

We're so glad you've chosen to spend your holiday in our beautiful country, and we can't wait to help make it a trip to remember.

Tap the Trip tab at the bottom of your screen to see each day's plans. Every booking lists its own contact, and calling or messaging them directly is always the quickest way to sort anything out. If they can't resolve the issue, tap Help Monobrow and we'll step in.

We can assist with services included in your TripFilo, as well as share tips, make recommendations and suggest tours in all locations.

Feel free to share your TripFilo link and password with your travel buddies so everyone has the details on hand.

If you are flying into Athens, your driver will be waiting for you in the arrivals hall with your name on a sign. They track flights, so if you're running late, don't worry. They'll also hand you any hard copy tickets or vouchers, like your ferry tickets.

LET'S CONNECT

For now, please click "Help Monobrow" and say hi (or "geia sou" in Greek) so we know you've received your TripFilo and you have everything you need for your trip to Greece.

Warmest wishes,

Theo & Thanasis
